Message from the President

Firstly, I would like to thank the Leicestershire Clubs for allowing me the privilege of being their President for the season 2016-17. It is a great honour for both myself and Melton Mowbray RFC as it is the clubs first County President in its 103-year existence.

I have been involved in Leicestershire Rugby since moving here in 1979, playing at Melton and for Leicester Thursday. I became involved with the County through my interest in coaching, this led to assisting in coaching and team management with the County Colts, then becoming Chair of Club Leicestershire. One of the most enjoyable periods of my rugby life was when I helped deliver RFU Coaching Courses during which I met some of the most dedicated and enthusiastic coaches who were just starting up on their coaching journey.

When age and inflexibility caught up with me I joined the County Disciplinary Panel of which I am its current secretary

It is my intention to visit as many of the clubs in the county as possible during my year in office.

I would like to thank the outgoing President Richard Green for his help and guidance during my year as President Elect

I wish all the clubs well during the season 2016-2017 whether it is chasing promotion in the leagues or in just growing or maintaining their club. I wish all the Leicestershire teams well for the coming season and I hope to be with you for your representative games.

Brian Hesford
Hon President
August 2016
