41	CB Structure Transparency its more a question of where the LRU is seen and controlled by the RFU. The two bodies are disconnected and the RFU will make sweeping changes to the game at grass roots without too much care for the volunteers at the LRU. The RFU gets all the funds and relies on Volunteers to do its work.	3/14/2019 9:25 PM

66	Communication Visibility	More club involvement/ updates	3/12/2019 9:11 AM
67	Senior Comp	The Merit leagues need to be reviewed. There are some teams who are smashing other teams because on the paper they engage their 3s or 2s but bring an actual stronger team when their team above don't have a game. There should be a licence check prior to the game. There are also some teams who are bringing players from other clubs and don't declare them which could have an impact on the final result of the game. Some clubs are not even able to fulfil a team and if we get a walkover, there are only 4 points given which can make a difference in the table at the end of the season.	3/12/2019 9:02 AM

73	Coaching Transparency	Fines should be paid into a kitty to be used for development of coaches, referees or charity and used to pay for coats and buffets.....	3/12/2019 7:27 AM
74	AGR Communication	Focus on some of the smaller clubs instead of always the larger clubs such as LFE, Hinckley, Market Harborough, Lutterworth. In the under 13's several age groups in smaller clubs are struggling with team numbers. Help them promote the game locally!	3/12/2019 7:20 AM
75	AGR Refereeing Senior Comp	Age group rugby is always important. But has a strong set up. Where a great difference could be seen is in galvanising the second tier rugby clubs that keep the ethos of rugby alive. Focus on a competition structure that keeps a level of rugby that can engage all levels. The merit leagues work well but might need greater policing and improved refereeing standards and make more of the leagues, as it's those clubs (second/third teams) that are needed to support the upper levels.	3/12/2019 12:20 AM
76	Visibility	I don't know much about the LRU. Sorry.	3/11/2019 11:44 PM

83	AGR Coaching Communication Festivals Senior Comp	Give clubs/coaches info why certain county comps are done in blocks at unusual times of season. Rather than just contacting head coaches or team managers, can you communicate directly with all coaches at clubs to say hello and offer direct support, encouragement etc. Have a more regularly updated and easier to use website. Info is sometimes hard to find	3/11/2019 8:21 AM

102	AGR Coaching	Consistency in enforcing the values. For example, ensuring that age grade coaches have completed the relevant courses and understand that we are here for the kids - not for their egos. Also, several clubs persistently field A teams and yell and scream from the touch lines and it's unacceptable.	3/10/2019 9:34 PM

1	CB/Club Interaction Yes the poor feedback from member clubs to activities and actions required to support clubs	4/6/2019 4:52 PM
2	CB Committee Far to many committes that don't achieve anything	4/4/2019 8:34 AM
3	Refereeing The general referring in the county is of a very poor level in my honest opinion the reff makes more mistakes in a game than a player how can this be when they only hold a whistle not a ball. This does not mean to say i do not like them as people far from it. As a head coach I'm held accountable for results but on many occasions this is taken out of my teams control by poor officiating...Many thanks this is my honest opinion	4/4/2019 7:56 AM

8	Refereeing The refereeing at mini and junior level is highly inconsistent, occasionally frustrating players as the goalposts move from one week to the next	4/2/2019 9:43 PM
9	Concern for the game The game is in decline. Loosing players. Teams. Focus on bringing rugby to the people. Make it enjoyable to play as a social experience. Not just for the elite	4/2/2019 8:53 PM

22	Concern for the game Most of the time we look to play games out of county, we have not entered the county festival and no one has asked for reason why we have not entered a team.	3/18/2019 11:46 AM
23	AGR Comps/Festivals this years colts league could you please explain how the bonus point helped in any way this is a subjective view and should not be allocated to any win or lose point that should be attributed to the teams point total and how can it be policed what is stopping the opposition supporters playing up and lying about who they are if there is a problem with respect of the referee that should be taken up with the 2 coaches or the respective clubs for disciplinary action	3/18/2019 10:22 AM

24	Senior Comp I'm concerned that many clubs who have teams within the merit league will often throw in first team or other higher team players into the 2/3/4th squads. This has happened on a number of occasions this season and makes the game unplayable and unenjoyable. If a team throws their 1s into a 2s, and wins 126-0 as happened this season, the losing side is left massively deflated. There can be no benefit to this for either side, the winning side who have had a practice game, the side that should have been playing are left without game time all in search of a W, and the losing side feel wronged.	3/18/2019 9:42 AM
25	Senior Comp As a player in second team rugby the main issue i feel at the moment is the amount of teams we play against that fill there team with 1st team players if they dont have a fixture meaning that the game becomes massivly unfair and effects the leugue. This is something i feel needs adressing	3/18/2019 7:51 AM
26	Nope	3/17/2019 4:02 PM
27	CB/Club Interaction The little clubs seem to be left to rot whilst the bigger clubs have all the support needed	3/16/2019 10:27 PM

29	Thank you I think the whole team of volunteers work extremely hard to deliver and govern rugby in Leicestershire. They all work unpaid and deserve a thank you. 'Thank you'	3/15/2019 10:55 PM
30	AGR Comps/Festivals The U15s semis should be played at Neutral venues. Friday night at Hinckley with a full club hardly plays out to supporting children!	3/15/2019 12:21 AM
31	Thank you The LRU has a tough job to do to maintain Rugby's Core Values and keep Clubs growing and sustaining the game. Its can be a home for those who just like to feel empowered to gain some authority but mainly you do a good job that doesn't get the real recognition it deserves.	3/14/2019 9:25 PM

34	CB/Club Interaction Some great opportunities that can only be maximised if there is a willingness to work together	3/13/2019 9:42 AM
35	W&G Still not enough structure around Girls rugby, equally boys junior rugby also needs a boost. Perhaps look at a league structure for Leic teams at u15s up as per East Mids Rugby.	3/12/2019 10:08 PM
36	CB/Club Interaction Tim Westwood has been brilliant recently and really helped our club. Haven't met or heard from the temporary RDO.	3/12/2019 8:54 PM

50	Thank you I generally watch Hinckley; South Leicester and Leicester Lions with my son who has a learning disability. I would commend all and others, for their interaction with him which makes him feel "like one of the boys" and is truly a special experience - that the rugby is!	3/12/2019 7:54 AM

54	Thank you	Keep up the good work...	3/11/2019 11:44 PM
55	CB Committee Senior Comp	LRU is not visible at club level and seems to be centred around a couple of clubs. Eg this years under 20s selection was as poor an engagement seen in communication and in attendance inclusion at training session I've witnessed in rugby at a local amateur level.	3/11/2019 11:10 PM
56	Yes but no one will listen		3/11/2019 8:27 PM
57	W&G	Really keen to see the development of girls/ladies rugby in Leicestershire. Would like to see Leicester Tigers get behind ladies rugby with the support of Leicestershire RFU	3/11/2019 8:00 PM

59	Thank you	My son has played for Leicestershire from U16 through to U18 - the coaching team has been superb, working so hard to give the lads a great experience.	3/11/2019 10:39 AM
60	Thank you	Thanks for supporting everyone and local rugby.	3/11/2019 8:21 AM
61	CB/Club Interaction	I don't feel that clubs are being supported or made aware of what the LRU is or how it supports players across the county. The team I play for only has slight awareness one game of the year when county coaches come to watch one game for selection, for which not all players are introduced or made aware of what is available to them.	3/11/2019 7:26 AM
62	CB Committee CB/Club Interaction	No point in entering anything here. Never made anything change in the path. All i say is modernise or die.	3/11/2019 1:02 AM
63	Senior Comp	County cup final much better when fans are in crumbie stand/terrace. Atmosphere much better and enables more spectators	3/11/2019 12:46 AM
64	CB/Club Interaction	Like Lutterworth and stopped favouriting clubs like Market harbrough and syston	3/10/2019 11:45 PM
65	No		3/10/2019 11:21 PM
66	CB/Club Interaction Communication	I believe the Rfu and Cb both seem to do same thing lots of areas not sure who should support or ask for help	3/10/2019 11:00 PM
67	W&G	Concern that at local level, particularly in the girls game, there is a lack of respect between the more capable players and the less able, almost to an exclusion. There is also a level of social exclusion towards the less able or less popular girls	3/10/2019 10:33 PM
68	N/A		3/10/2019 10:26 PM
69	W&G	I think there should be more effort from clubs to expand girls/ women's rugby at all levels	3/10/2019 10:13 PM
70	Thank you W&G	My daughter plays rugby - we are usually on the furthest pitch away from the club house, changing room facilities are as hoc esp on away games (generally the girls don't have access) and women's rugby feels 'second best'. Having said that, the coaches for Mhrc under11's and u13's are exceptional in their commitment and skills. I would like to commend kev Howley.	3/10/2019 10:12 PM
71	W&G	More rugby in school for girls everything should the same for the girls as it is for the boys. And in the clubs as well prize giving for both together.	3/10/2019 10:07 PM
72	Refereeing	Referee performance is poor most weeks	3/10/2019 10:04 PM
73	Senior Comp	Keep all leagues up to date, second team leagues were not updated for around 2-3 months	3/10/2019 9:37 PM

75	None		3/10/2019 9:22 PM
