

# MEN'S RUGBY 7s TRIALS

The Loughborough Academy of Sport Men's 7s Programme is the first of its kind in the UK, where players are recruited specifically to play 7s alongside their studies.

Our programme benefits from our unique partnership with the world renowned Loughborough University and creates a potential pathway for our student-athletes to progress onto the Loughborough University Elite 7s programme and ultimately England 7s and Team GB honours for the most gifted players.
